Message from the Vicar

Dearly beloved in Christ,

Greetings to all in the name of our Lord and Savior, Jesus Christ.

Let us thank God for being with us throughout the year and enabling us to get into last months of the year . Therefore we should accept and acknowledge that it is not our merit but His grace we live. May God Almighty be with us and guide us as we strive forward. Now we are in an advent season and are waiting to remember and celebrate the birth of Jesus Christ. Christmas Greetings to all !

As we are waiting to enter into a new year, we may have lot of plans and dreams. Usually we carefully plan everything in our lives. We may picture in our minds how our future is going to unfold. But in reality, things do not go as planned. Some doors may close while others open. Some people turn against us while some others support. Some unexpected incidents which can turn around our lives may happen. Even though we plan carefully, life ahead is uncertain. But it is certain that we are safe in the arms of God in the midst of all uncertainties of our life.

The Psalmist says, “Unless the Lord builds the house, the builders labor in vain. Unless the Lord watches over the city, the guard stand watch in vain” (127:1). We have a lot of limitations in our life. We cannot control everything in this world. So we need to accept human limitations and helplessness, and bow before God and accept His will. God will always with us to fulfill our dreams and hopes. He will give strength for every battle, wisdom for every decision, peace that passes understanding. Let us trust in the Lord who can guide us in our ways of life.

I am very grateful to you all for your prayers and participation throughout the year 2023. During the last four months we had different programs. We celebrated the Harvest festival on 28th August. On 18th September we observed Sevika Sangham Day. A family retreat was conducted on 28th October 2023. We also celebrated our Family Sunday, parish day and one day income on 29th October of this year. We also celebrate the World Sunday school day and our children lead the worship service and performed their talents in the talent evening. I appreciate the Sunday School Headmistress and all the teachers who took initiative for this. I also

appreciate all the members who participated prayerfully and supported in different ways to all these programs. Let us join hands and work for the glory of God's name. I look forward for your active participation in all the activities of the Parish in the coming years.

The coming months we have Christmas rounds, Christmas Carol, year ending service and Lent services and Easter Sunday.

I request all of you to participate in the above events with sincere prayers and dedication.

As we enter the last months of this year, let us all thank God Almighty for His countless blessings and guidance that we have experienced in the past and acknowledge God's presence and providence in our faith journey, so far. Let us move forward with praise and thanksgiving to God, our Lord and Redeemer.

Yours's in Christ love,

Rev.Joymon S.K
